Bolt, Nut and Washer Assortments

Hobson Agpacks come in a strong plastic tub with a resealable lid. All bolts, nuts and washers are zinc plated and supplied in inner sealed-labelled plastic bags per size of bolt, nut, or washer.

Agpacks include the bolts, nuts and washers most commonly found in rural and agricultural machinery. Having these spare fastener components on hand can help reduce the cost of downtime.

There are **four types** of Hobson Agpacks:

- » Strong plastic tub with resealable lid
- » Keep one in your shed or in the ute or van
